**RE: Phase II Wireless 9-1-1 Service Request**

Forwarded via Certified U.S. Mail

Randy:

In compliance with the FCC Rules and Orders, wireless carriers are to provide Phase II of Wireless 9-1-1 Service within six (6) months of a request from a 9-1-1 authority. This letter is Spartanburg County's official request for Cingular Wireless to implement Phase II service in our service area, which consists of all of Spartanburg County, South Carolina.

I would suggest that we schedule a meeting with your 9-1-1 Manager within the next thirty (30) days, at my office, to begin the implementation process. Please ask your 9-1-1 Manager to contact me within two (2) weeks to schedule a meeting date. Also, please provide information as to additional representatives of your company that may be attending.

This meeting is important to assist Spartanburg County in understanding Cingular's Phase II plans and to be certain that we are doing our part to assist your implementation. We expect to discuss issues such as timelines for deployment, responsibilities, and discussion about the characteristics of the location technology that Cingular has selected.

We plan to also request representatives of our local exchange carrier and equipment vendors to participate in the meeting and discuss important network and technical issues.
